### **Hints for the Bronze**

\*Only Juniors can work on the Bronze Award. Not all Juniors will earn the Bronze Award. You do not have to earn the Bronze Award to become a Cadette Girl Scout.

The Bronze Award project should:

1. Take at least 15 hours from start to finish. This includes your planning time. The actual activities should take at least 7 to 8 hours.
2. Provide a community service. This can be done in or outside of Girl Scouting. Please remember that Girl Scouts do not raise money for other organizations. Your project should focus on helping in other ways.
3. The project should be something new. This means that it is not something you already may have done in school or in your troop.
4. Always check Safety Wise to see which rules apply to your project. Your troop leader or advisor will be able to help you do this.
5. Have Fun!

\*Use consultant forms. Each time you “work” with someone other than your troop leader on a badge, Girl Scout Sign, an activity toward your Leadership Award or Junior Aid Patch, ask the person to fill out a form. This will serve as the “formal” account of what you accomplished and let others know of your activities.

\*Fill out the packet as you go. After each activity fill out the appropriate section of the packet, attach the consultant form, and evaluate what you did. Then put the packet away till the next activity is completed. This is much easier than waiting till you think you've finished your award but can't remember what you did.

\*Be concise and clear. Someone who doesn't know you should be able to pick up your application, know what you did for each section, and see your personal growth.

\*Don't duplicate. Once you've used an activity, you can not use it again unless you re-do the activity.

**REPORT FORM FOR GIRL SCOUT BRONZE**

Directions: Fill out this report form as you complete each step toward Girl Scout Bronze. You should attach any appropriate documentation (consultant forms, letters of accomplishments, training, and/or workshop) to this report form. Once you've completed your award you should review each step with your leader/advisor to determine if each is complete. When you both agree you've finished, you should both sign below and submit it to the council office. Completed forms must be submitted at least two weeks prior to presentation of your award.

Good Luck!!
